2007 PEP Golf Tournament

The 7th Annual PEP Golf Tournament will be held on **Friday, May 11** at the Lakewood Golf Club in Point Clear.

The golf scramble gives industry leaders and suppliers time together on the two beautiful courses next to the Grand Hotel. Organizers are quickly filling the 54 teams for the tournament.

Trophies and the first-ever PEP Cup will be awarded this year.

New Venue for 2007 Annual Meeting and PEP Awards

The year's Annual Meeting will be held on **Wednesday, May 9th** at the new **5 Rivers Center** on the Causeway from 5:30 - 7:30 p.m.

The event will include the presentation of our 3rd Annual PEP Member Awards which recognize the positive environmental efforts of our member companies. Nominations for the awards are being accepted now through April 15 in the PEP office.

Please visit our website homepage to link to both the 2005 and 2006 PEP Award recipients.

Awarded in these categories:

Small Company (less than 75 employees)

Medium Company (75-300 employees)

Large Company (300+ employees)

Please include:

- Name of company
- Contact information
- Size of company
- A short description of the environmental contribution

Nominations are due by **April 15, 2007.**

Winners will be announced
at the Annual Meeting on May 9th.

Help Us Build Our RECYCLING REGISTRY!

“Who recycles what” in our area? PEP wants to know. The more opportunities we can offer others to conserve, the more we help preserve our beautiful region.

The first step is identifying recycling efforts from among our membership. We want to know about recycling that impacts the community as well as opportunities for others to help participate in your recycling projects. Each member company will receive a form via email to complete and return to the PEP office. Our staff will categorize this information and make it available on our website.

Additionally, we are working with the Natural Resources Committee of Mobile United to recognize other recycling efforts. We will include PEP members in this project.

Thank you, in advance, for helping us share your recycling efforts and opportunities within the community.

Please Help Us Do Our Part to Collect and Dispose of Hazardous Household Waste.

Volunteers are needed for PEP's participation in the Household Hazardous Drop Off Day scheduled for Saturday, April 29 from 8 a.m.—2 p.m. in the LeMoyne community on Highway 43. The collection site is the former Acordis plant site that is now operated by Mobile County, as the North Mobile County Industrial Park.

Those with **TECHNICAL SKILLS** in identifying and handling various household chemicals are needed. Please call Jeanne Harris at the PEP office if you can help. Careful planning is being done to mitigate the traffic jams and confusion of last year's event.
