PEP Golf Tourney: Good For Business

Attending the 9th Annual PEP Golf Invitational on **May 1**, can be very good for business. One businessman's tournament networking earned a ten-fold return on his 2008 corporate sponsorship. Come join him and 250 other local business professionals for a day of golf, good food, prizes, and the chance to make new and stronger business relationships. There is still room at every sponsorship level, but reserve your team now—last year we ended up with a waiting list.

As part of your PEP membership, you have the opportunity to advertise your business to all the golfers—even if you don't play. Continued on next page. . .

PEP Helps ACF Spark an Environmental Interest in 5th Graders—You Can Too!

PEP is a *sponsoring and volunteering* at Alabama Coastal Foundation's annual Coastal Kids Quiz on April 28th. This exciting competition for 5th graders from Mobile and Baldwin county schools tests students' knowledge of conservation issues and lays a foundation for a lifelong interest in science for many of the participants. Students compete for thousands in scholarships that can be put toward a college savings plan- and the competition is fierce! For more information, contact the ACF office at 990-6002.
