## 2007 Calendar

### Membership Breakfasts

**January 25**

**March 22**

**May 24**

**July 26**

**September 27**

**November 29**

**Golf Tournament—May 11**

**Annual Meeting—May 9**

**Open House—October 18**

## Save These Dates!

### PEP Golf Tournament Returns to Lakewood

The 7th Annual PEP Golf Tournament will be held on **Friday, May 11** at the Lakewood Golf Club in Point Clear.

The golf scramble gives industry leaders and suppliers time together on the two beautiful courses next to the Grand Hotel. Golf tournament organizers are excited about repeating last year's successful event of over 50 teams.

### Annual Meeting and PEP Awards

The year's Annual Meeting will be held on **Wednesday, May 9th** at the Mobile Area Chamber of Commerce building on Government Street. Member companies will receive our annual PEP Awards for positive environmental contributions. Application information will be available next month.

### PEP Open House... a reverse trade show

Fort Whiting will again be the venue for the PEP Open House on **Thursday, October 18th**. The reverse trade show offers suppliers the opportunity to "call on" decision-makers from large industry in our area. (See our website for information about all our events.)

**Help Us Build Our RECYCLING REGISTRY!**

***“Who recycles what”*** in our area? PEP wants to know. The more opportunities we can offer others to conserve, the more we help preserve our beautiful region.

The first step is identifying recycling efforts from among our membership. We want to know about recycling that impacts the community as well as opportunities for others to help participate in your recycling projects. Each member company will receive a form via email to complete and return to the PEP office. Our staff will categorize this information and make it available on our website.

Additionally, we are working with the Natural Resources Committee of Mobile United to recognize other recycling efforts. We will include PEP members in this project.

Thank you, in advance, for helping us share your recycling efforts and opportunities within the community.

**About our Annual Dues...**

You will soon be receiving your 2007 Annual Dues Invoice and Membership Update Form. Traditionally, all dues have been placed in our general operating budget which includes several community projects. While we will help sponsor the Alabama Coastal Cleanup, the Household Hazardous Waste Drop-off Day, and the Coastal Kids Quiz, other projects often arise during the year. This year's increase of \$40 in dues will help fund additional opportunities for us to promote environmental stewardship in our community.

**DUES STRUCTURE**

Dues for ***Partners for Environmental Progress, Inc.***, are based on the number of local full-time employees. If your employee base fluctuates or is weighted by part-time employees, please use an average number of employees. Dues are payable on a calendar year basis and

<u>Number of Employees</u>	<u>Annual Dues</u>
1-9	\$250
10-74	\$450
75-149	\$650
150-299	\$850
300-499	\$1050
500 or more	\$1250
