PEP's Open House...a reverse trade show

October 15, 2009 1-5 pm

Ft Whiting Auditorium

PEP's popular Open House . . . Reverse Trade show gives you the opportunity to save your time, money and gas by coming to one place, for one afternoon, to establish and strengthen business relationships with more than one hundred senior decision-makers from the area's leading manufacturers.

Last year more than 347 vendors and suppliers from as far away as Arizona and South Carolina "called" on more than 35 companies. This year's trade show, on October 15, 2009 from 1:00-5:00 pm promises to be even better.

The event benefits all involved. Industrial leaders offer their afternoon to visit with the participants and to network with their counterparts from other companies. Sales representatives can meet leaders from numerous companies in just a few hours. And the savviest networkers don't stop there—meeting new companies and potential clients in the aisles can be just as valuable. There is no limit to the networking opportunities. The public is invited to attend.

Tickets will remain at the low rate of \$125 for non-members and \$75 for PEP members. Call the PEP office, 345-7269 or check the website www.pepmobile.org for more information and ticket registration.
