Reverse Trade Show Tickets: On SALE NOW! **Visit Major Industries at One Location**

WHAT: PEP's industrial reverse trade show brings decision-makers from large industry together in one location. Ticket holders from the supplier, vendor and service sectors are the visitors who walk through the show "calling on" plant managers, purchasing managers, and engineers and maintenance managers. The diverse Exhibitors include **Evonik Degussa, ThyssenKrupp Steel and Stainless, Army Corps of Engineers, Atlantic Marine, MMR Constructors, and so many more.**

WHEN: October 15th 1pm - 5pm; **WHERE:** Ft Whiting, Brookley Complex

WHY: It is a cost effective and efficient method of making sales calls on more than 75 managers/purchasers/decision makers of over 35 major manufacturing, engineering and construction firms in just one afternoon. **Your competitors show up – so should you.** Last year, more than 340 individuals from all over the Southeast attended the show.

HOW: Go to www.pepmobile.org for a ticket registration form and the complete list of exhibitors.

COST: In recognition of the difficult economy, PEP has kept the same price as the past two years.

\$75 per ticket for PEP Members; \$125 per ticket for Non-PEP members!

Please note that anyone attending the show as a visitor, including spouses, must purchase a ticket.

For information, call the PEP office, 251-345-7269 or go to the website at www.pepmobile.org
