

2014 PEP Awards

Request for Nominations

Recognizing members' Environmental Stewardship Achievements

Since 2005, the PEP Board of Directors has awarded Environmental Stewardship Awards to PEP members whose work has demonstrated innovative environmental best practices in manufacturing, construction, engineering, conservation or restoration. The Board is requesting nominations for the 2014 PEP member awards. *Please feel free to nominate your own company, a project partner or co-nominate a multifaceted project.*

Submit your nomination by EMAIL ONLY to Jennifer Denson at jdenson@pepmobile.org. Pictures should be jpg. Format.

Nominations Accepted until 5pm, March 7, 2014

Your nomination materials should include:

- Name of company
- Contact information
- Number of Local Employees
- A brief summary (no more than 150 words) describing overall significance and environmental achievements of the project. (REQUIRED)
- A detailed description (no more than 500 words) of the project or activity that led to a significant environmental contribution.
This description should include:
 - ☐ The problem being addressed;
 - ☐ A description of any innovative or unique approaches that were used;
 - ☐ The environmental impact, both immediate and long-term;
 - ☐ Measurable results (such as material diverted from disposal, costs saved. . .
 - ☐ Any additional information explaining the project's environmental impact
 - ☐ Project Owners and/or Partners that should be recognized as part of the success of the project.
- Best practices: If applicable, include a short description of the company's current environmental best practices and/or sustainability policy statements. (optional)
- Pictures of the project in jpg format only. (optional – we would like to add these to our website and Facebook page)
- If you submit a pdf of the entire nomination, please also submit the descriptions summaries in a Word document as well.

**We will announce our winners at PEP's Annual Meeting
April 15, 2014, 5 Rivers Delta Center**
